Description

EdCan Summit is hosting a **webinar** that is being presented by Graham Lowe. This webinar is going to examine individual and organizational resilience in connection with the COVID-19 Pandemic. This webinar will be taking place on Thursday May 12, 2020.

Objective(s)

This webinar will show how resilience is one of the defining characteristics of a healthy organization. It will set out what are the features of a healthy organization and how an inclusive leadership approach can support your staff and prepare it for recovery.

Are there other resources that you love for cultivating the health of students and staff in your school community? Send your suggestions to dashbcresources@gmail.com
